

**Dallas Fort Worth Association of Mortgage Brokers
Political Action Committee**

Why should I contribute to the DFWAMB Political Action Committee (PAC)?

Elected officials must raise funds in order to be elected. Since we are in a government regulated business, it is imperative that Mortgage Brokers have supportive legislators. Contributions help gain access to elected officials. It is important to remember that the most successful trade organizations have very active PACs.

How much can political action committees (PAC) contribute?

PACs can contribute \$5000 per election per candidate. Individuals are limited to \$2000 per election per candidate.
